

Environmental Policy

ASG Group Ltd is fully committed to the continual improvement of the Company's environmental performance through our work to maintain EN ISO 14001.

To this end the Company is committed to:

- Compliance with the relevant environmental legislation, regulation and other requirements to which the Company subscribes,
- The prevention and reduction of pollution,
- Reducing the use of resources and raw materials,
- Reducing the incidence and impacts of spillage and leakage, and
- Raising awareness of the environmental management system amongst the workforce.
